## **PRESIDENTS MESSAGE**

To paraphrase a famous President of the USA, "ask not what your branch can do for you but ask what you can do for your branch." A very small number of branch members are working very hard to keep the doors of St. James Legion open. Are you doing your part?

Yearly dues are \$46.00 (\$41 if you are an Early Bird) of which \$28.61 has to be paid to Dominion and Provincial Command for the Legion magazine and the per capita costs. This leaves \$15.39 (10.39 if you are an Early Bird) to operate the branch. Keeping the cost of products you purchase at the bar reasonable means that the bar profits just meet the cost of operating the bar with very little left over to cover the remainder of the expenses occurred in keeping the building in good repair as well as covering the on-going maintenance costs. Profits from Meat Draws; ongoing basket raffles; Chase the Ace; Texas hold-em and 50/50 must raise enough money to pay the utility and maintenance. Some months, in particular, the summer months the expenses are greater than the income. Without the small dedicated group of members volunteering their time to look after these events the front doors of the branch would like many others in the country be closing permanently. We can't let this happen. Are you doing your part to keep our doors open?

In the near future, watch for construction to start in the branch. We are presently waiting for quotes to come in for the renovations of our bathrooms. The branch applied for a grant from the government and it was announced that St. James legion would be receiving up to \$100,000.00 for those renovations.

Don't forget our Remembrance Day service at Bruce Park this year. It is always a very moving ceremony and well attended. Parade steps off from Assiniboine Hotel at 10:45 as usual. Hope to see you all there. Everyone is invited back to the Branch after the service for some socializing.

The Poppy campaign is well under way, but as in past years we will still require a lot of help. Check the bulletin board for empty slots that you can fill. It's only with your help that we can raise the funds needed to support our needy veterans. During your initiation into the Legion each and every one of you declared that you will "ever strive by all proper means to promote the work of the organization including active participation in the Poppy campaign."

Seems a little early for this, but as this is the last bulletin before Christmas and the New Year I'll pass on those messages now.

**MERRY CHRISTMAS AND A HAPPY NEW YEAR.**

To all our shut-ins I wish a speedy recovery and I hope to see you all in the branch clubrooms in the near future.

I wish also to thank all of the staff members without whom it would be impossible to operate. Office, Bar, Maintenance, you are all important. THANK YOU

**Cde. Ronn Anderson, President**

**Lest We Forget.**

*In Flanders fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.*

*We are the Dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved, and were loved, and now we lie  
In Flanders fields.*

*Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch; be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders fields.*

## CHILDREN'S EVENTS

The second annual Children's Halloween Party was held on Sunday, October 26th. 42 Jack'o Lanterns were carved by the Children in attendance. There were an incredible number of great costumes entered in the parade and costume contest. Mago entertained with balloon animals, spiders, swords, bow & arrows and other spectacular constructions. A new game at this year's event was the waterless doughnut bobbing contest. The children all departed on a sugar high with prizes a won and even more candy. There were several parents and grandparents costumed for the event. This event has even furthered the belief that our legion hall is haunted by a red devil faced, black robed ghost, as he was not seen arriving or leaving but reportedly seen by many during the party.

A Special thanks to Brenda (Stu), Joel (Pid), Shawn (Woody), and Nathan (Dr. Proctor) who assisted in the games and entertainment making the party a great success. Also thanks to Betty Zarney, Al Coote, and Mike Thayer for the kitchen work and service of refreshments.
